Background paper Work Package T.2 – focused on

FACILITATING STRATEGIC PROJECT DEVELOPMENT

July 2019, V.3.

Background paper V.3 was updated in chapter 2 (selection of project ideas), where the process before the project ideas selection is better presented according to V.2 from February 2019. Additionally, Annex 1 (Project idea draft template) with the evaluation list ensure the Audit trail for the procedure before the process of project development with the foreseen support of EUSAIR Facility Point begin. For the project ideas selected for further development before the approval of the new version of the Background paper, an audit trail of the selection should be described according to the selection procedure of each TSG.
